

Wildlife Ambassador Series

Ages 5 – 12

All sorts of native wildlife live in our backyards, parks and other natural areas. Become an advocate for our “wild” neighbors. Learn about the natural history of our native wildlife and the steps to follow if you find an injured or abandoned animals.

Participants can attend 1, 2, 3 or all 4 programs. If attending all 4, participants will receive a Young Wildlife Ambassador certificate and patch.

Workshop 1: Mammals I

Workshop 2: Birds

Workshop 3: Reptiles

Workshop 4: Mammals II
